

Divani

Play

Il sistema di seduta Play è il modo più contemporaneo di concepire il "sistema divano". È composto da elementi di seduta imbottiti con schienali in appoggio stabile grazie a una configurazione di appositi pesi. Cuscini e braccioli completano il progetto.

PLAY, SISTEMA DIVANO DINAMICO

Come suggerisce il nome stesso, Play è un invito a giocare con le proprie esigenze e a trovare in questo sistema modulare, sempre riconfigurabile, la soluzione giusta per ogni occasione. Puoi scegliere moduli seduta di varie misure (250 cm, 215 cm, 170 cm e 115 cm), tutti larghi 120 cm, da completare con schienale, cuscino per supporto schienale, bracciolo e cuscini decorativi.

STRUTTURA DEL DIVANO PLAY

Le parti strutturali sono solide, secondo la tradizione Dall'Agnese, perché costruite in abete massello e multistrato, prima di passare all'imbottitura e al rivestimento. Un trattamento particolare è riservato ai braccioli così da far mantenere loro la necessaria stabilità nella posizione desiderata.

FINITURE

Per continuare a giocare con il divano Play, concentrati su materiali e finiture, e scegli fra le versioni in tessuto, completamente sfoderabili, e quelle in pelle o ecopelle.
