# Volume

The rigorous linearity of the wooden Volume bed is softened by the curved headboard on the sides and is softened by the comfortable, optional but rewarding inner cushion. It adds further comfort and is practical to use and maintain because it is removable and washable.

## MODERN WOODEN BED

Volume is a wooden double bed, available stained in various finishes. Its modern design can be completed with a cushion to be inserted into the cosy shape of the headboard and covered in fabric, eco-leather or leather, always with removable covers. The base rests on tubular metal feet or is available in versions with a storage bed frame.

## FINISHES

Check the available finishes of the wood for the Volume bed frame and the fabrics, eco-leather or leather selected for the accessory cushion.
