

Letti

Square

Dilata lo spazio questo letto che è un programma notte vero e proprio, basato sulla testiera-boiserie in legno o imbottita. Lo puoi attrezzare con mensole, cassetti, vani a giorno e anche con il modello letto Dall'Agnese che preferisci. Per questo Square non è un semplice letto bensì un sistema modulare da personalizzare a tuo piacere.

TESTIERE LETTO CON COMODINI INCORPORATI

Con il programma notte Square puoi avere una testiera con comodini integrati diversi fra i due lati perché acquisti la libertà di comporli come preferisci, secondo le esigenze di chi ne usufruirà. In queste immagini, per esempio, la boiserie in tinta rovere carbone è dotata, a sinistra, di un contenitore Kompos sospeso e di una mensola in metallo, a destra di un comodino a terra con due cassetti.

LETTO EFFETTO SOSPESO CON COMODINI INTEGRATI DIVERSI

Fra le molte soluzioni possibili con Square, puoi anche ottenere un letto effetto sospeso, con un trucco dai risvolti molti pratici. È infatti sostenuto da un box-contenitore centrale da usare quale spazio ulteriore per riporre. Nella composizione qui presentata, il giroletto in legno è abbinato a una boiserie laccata in finitura cemento come i comodini integrati al letto, diversi fra loro e posizionati ad altezze differenti. Si possono notare anche la postazione toilette Supernova e il pouf Supernova e intravedere, di fronte al letto, la poltrona Supernova.

BOISERIE LETTO CON PRESE ELETTRICHE

Il programma notte Square può essere accessorizzato anche con un canale attrezzato dotato di prese elettriche e interruttori luce per garantire una perfetta usabilità. In questa composizione il sistema integra il giroletto contenitore e un'ampia boiserie composta al centro da pannelli imbottiti e ai lati da canali attrezzati e quindi da pannelli in cuoio beige. Per attrezzare questi ultimi, sono stati inseriti cestoni a terra e, solo a destra, una mensola in metallo. Nella camera da letto si vede infine la postazione home office Modula con piano scrittoio in appoggio su due cassetti e un vano a giorno sospesi, sormontati da mensole in metallo con illuminazione a LED, in abbinamento alla poltrona Le Mans.

IL SISTEMA BOISERIE CON IL LETTO CHE VUOI TU

Nel programma notte Dall'Agnese puoi integrare anche gran parte dei nostri modelli letto. Per esempio, nell'elegante composizione di queste immagini, i pannelli laccati della boiserie accolgono il letto Goose, i canali attrezzati per l'elettrificazione, parecchi contenitori e cassetti dalle forme diverse, un vano a giorno e una mensola in metallo sotto illuminata.

TESTIERA LETTO ATTREZZATA PER OTTIMIZZARE LO SPAZIO

Grazie al programma notte Dall'Agnese otterrai con facilità spazi ottimizzati in camera da letto, come puoi vedere in questa composizione lineare ma articolata. La boiserie è formata da un pannello rivestito in tessuto, dai canali attrezzati laterali completi di faretti luce e relativi interruttori, da pannelli in legno con una raffinata lavorazione canneté, da cassetti, vano a giorno e giroletto nella stessa finitura legno, però liscia.

PROGRAMMA NOTTE PER CAMERA CON SPAZIO HOME OFFICE

Sempre più spesso c'è l'esigenza di ricavare una postazione home office in camera da letto. Niente di più facile con il programma notte Square. Nelle immagini, gli stessi pannelli in legno, usati per la boiserie che accoglie il letto Sentempa in tessuto e comodini diversi ai due lati, sono proposti per realizzare uno scrittoio Modula servito dalla sedia Le Mans.

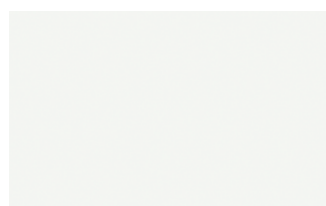

FINITURE

Fra pannelli boiserie in legno, in cuoio, pelle, ecopelle o tessuto, imbottiti lisci o trapuntati, moduli contenitori e canali attrezzati con punti luce, prese elettriche e interruttori, Square ti permette di trovare la tua soluzione. Unica e personale.
