

Sofas

Comfort

Comfort is a modular sofa system, upholstered with comfort, in fabric, leather or faux leather. Simple and essential in design, it has noticeable stitching and tucks, which mark its shapes until they become decoration.

SECTIONAL SOFA: THE MODULES

Comfort's extensive modularity offers large and small modules, side and right and left corner modules. It offers, in addition, the center island as well as the island at the end of the sofa, the armrest height or increased backrest, the ottoman and the optional addition of cushions.

FINISHES

Discover the selection of fabrics, which make Comfort a totally removable sofa, or that of leathers and faux leathers, for an extremely chic version.
