# Kiri

It is a long table with two central legs and a fixed top, rectangular or oval, with straight or 30° sloping perimeter edge depending on the preferred style.

## METAL BASE

The two vertical elements that serve as legs are designed in a succession of irregularly pitched metal rods arranged in a cross pattern. The result is striking and airy.

## FIXED TOP

Rectangular fixed top in a variety of wood finishes, or oval always made of wood and also in lacquered glass or stoneware.
