

Tavolini

Atollo

Matteo Zorzenoni ha disegnato un set di tavolini dalla forma originale, caratterizzati da piani irregolari e forme morbide. Puoi usarli singolarmente o unirli a creare un atollo sempre diverso.

PIANO IN LACCATO O GRES

I tavolini Atollo hanno i piani simili a ovali irregolari. Sono realizzati in gres oppure in laccato opaco, lucido, effetto cemento o metallo, in un'ampia cartella colori, che comprende anche proposte speciali micalizzate, ovvero con minuscoli punti brillanti.

BASE IN METALLO

Ogni versione del tavolino Atollo poggia su un basamento cilindrico in metallo o su un doppio basamento, a seconda delle dimensioni del piano.

FINITURE

Guarda quali sono le finiture disponibili per i tavolini Atollo e scegli quali inserire nel tuo personale atollo.
