

Beds

Settanta

A double bed with a headboard with two upholstered cushions and a wooden frame with shaped feet, the Settanta features a eco-leather shell that it shares with an entire family dedicated to the night area, consisting of a night stand, chest of drawers, writing desk and dressing table.

CENTREPIECE DOUBLE BED

Thanks to the special design of a eco-leather shell that embraces and supports the headboard, finished in the smallest details, the Settanta bed is perfect even in the middle of the room, interesting to look at from every angle. Its wooden frame, which also includes shaped support feet, is upholstered in the upper part.
