

Coffee tables

Beam

Beam is a sofa side table, perfect for tucking in between the floor and the seat where it serves as a handy storage for drinks, books and accessories. Discreet and elegant.

SIDE TABLE

Beam is a coffee table that is perfect for placing next to the sofa. It is made of curved metal in different finishes, or you can upholster it in regenerated hard leather with clearly visible stitching, almost as if it were a tailor-made product.

FINISHES
