

Sedie

# Float

Il dettaglio dall'occhio artigianale di questa sedia in frassino, possente, è nell'unione fra seduta e struttura. È plasmata in linee dinamiche e slanciate con un tocco di leggerezza. E la seduta fluttua.

## SEDIA ERGONOMICA ARTIGIANALE

Float è una sedia in legno lavorata manualmente. Addolcire e arrotondare le forme, soprattutto nei punti di giuntura o nel rendere ovalizzata la gamba, è infatti un'attività esclusivamente artigianale, in linea con il livello qualitativo fissato per questo design Dall'Agnese. Ogni Float non solo è fatta, ma anche ricontrollata, manualmente.

## DETTAGLI PER UNA SEDIA DURATURA

Dati per scontati i materiali di qualità, molto dipende dalle lavorazioni. Seduta e schienale di Float possono essere rivestiti in tessuto, pelle o ecopelle con cuciture ribattute due volte per garantire una maggiore durabilità. La struttura in frassino può essere laccata in svariate finiture di essenze con una verniciatura elettrostatica. È tipica dell'automotive, molto resistente alla corrosione, dal minor consumo di vernice e dai risultati impeccabili, privi di colature.

## FINITURE

Scopri tutte le finiture disponibili per tessuti, pelli ed ecopelli utilizzabili per vestire la tua Float nonché le finiture essenza legno per verniciare la sua struttura in frassino.
