Glass Up

The Glass Up hinged door closet in clear glass is for those who prefer visually light solutions that allow a glimpse of the interior. That's where you can give room for maximum customization: how will you equip this universe of yours among drawers, shelves, rasters, shoe racks and other accessories?

GLASS UP, THE GLASS WARDROBE

The Glass Up glass casement door has the handle inserted into the door frame, so use the side grip on the frame. The closure is soft-closing, practical and secure. In the pictures, we offer the closet in gray clear glass with heat-treated oak sides and brown metal frame.
