

Madie e contenitori

Stripe

È una madia colorata oppure sobria ed estremamente raffinata, sempre originale perché le sue ante sono componibili a piacere. Sono "strisce" di pannelli diversi, accostati in modo sfalsato per creare movimento.

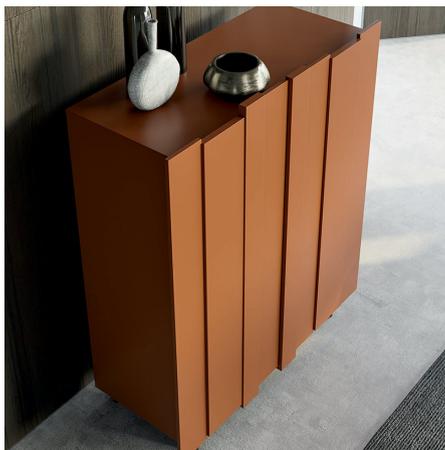

MADIA CON PRESA ANTA DALL'ALTO

La madia Stripe può avere tre o quattro ante per dar modo al suo gioco di doghe di essere apprezzato. Il sistema di apertura e chiusura è ammortizzato e basato sulla presa diretta dall'anta dall'alto, agevole perché le sue doghe sfalsate superano il piano del top. È valido sia per Stripe madia che mobile contenitore.

CONTENITORE STRIPE

La versione contenitore alto di Stripe ha sempre due ante dove le doghe si allungano in altezza. Internamente, come per la madia, i ripiani sono in vetro.

FINITURE

Scegli come abbinare le tue doghe Stripe. Solo laccati? Solo essenze? Un misto di materiali e anche di colori? Scegli tu! Guarda ora le finiture disponibili.
