# Simply

Simply is the simplest hinged door. Combined with different handles, it completely changes personality and is ideal to accompany and enhance more important doors, when they need to be lightened. It is available in wood essences, lacquer, glass and mirror.

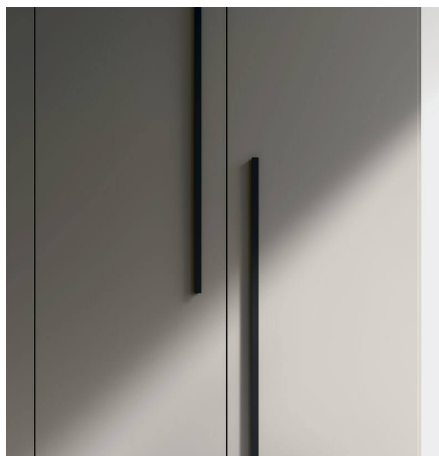

## SIMPLICITY AND FLEXIBILITY SIMPLY

The linearity of the Simply hinged door is an opportunity to enhance every available detail: the many handles, including key locks, the finishes in veneer and in matt, glossy and special lacquers with metal or cement effects, and the varied modules, including interior and exterior corner modules.

## DECORATIVE HANDLES FOR THE SIMPLY DOOR

From a functional element, the handle becomes a stylish detail. In the images, the Simply linear door in sugar paper matt lacquer finish is combined with the Alfa handle in satin nickel. The second composition, features the T handle in brown metal that creates an elegant play of lines on the Simply door in micalized nickel matt lacquer finish.
