

Letti

Millerighe

Mille righe per la boiserie in legno canneté. Si susseguono verso il centro in un ritmo cadenzato che rallenta e si allarga nel mezzo della testiera in morbide fasce imbottite. È lo stile elegantemente borghese del letto con boiserie Millerighe, firmato da Federico Peri per Dall'Agnese.

LETTO CON BOISERIE

Caratterizzato da un'elegante testiera boiserie, che nella parte centrale diventa morbido sostegno, il letto Millerighe deve il nome all'estetica delle fresature verticali proposte nella parte lignea, la cosiddetta lavorazione canneté. Lo stesso effetto rigato è ripreso nell'appoggio imbottito e accogliente, che delinea cuscini dritti e morbidi.

LETTO CON COMODINI INTEGRATI O SENZA

Millerighe, nella versione con testiera imbottita e boiserie in legno intagliata, può essere scelto anche come letto con comodini incorporati, sempre in legno. Si tratta di piani fissi, integrati nella struttura della boiserie, dotati di una gamba cilindrica d'appoggio. È inoltre disponibile la versione senza comodini, ideale per stanze piccole. Lascia la libertà di inserire un letto senza comodini o di accostare un contenitore notte a propria scelta, come il comodino Super di Dall'Agnese.

FINITURE

Scegli le finiture che preferisci per i rivestimenti in tessuto, ecopelle o pelle e per i pannelli con lavorazione canneté e per le mensole-comodino.
