

Home office

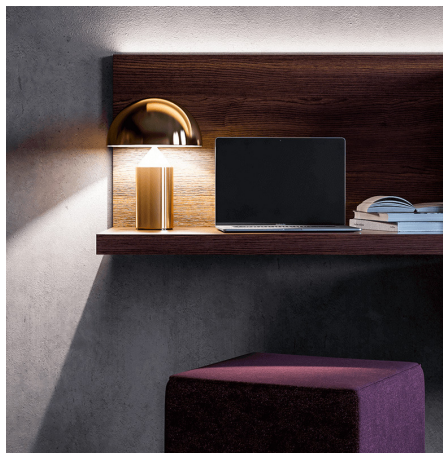

Slim Up

Con il versatile programma Slim Up, una postazione home office su misura per ogni esigenza! Puoi ideare composizioni dedicate all'ambiente studio, sia in una stanza a sé, sia come soluzione home office integrata nella zona giorno.

POSTAZIONE HOME OFFICE SOSPESA

Nell'immagine, composizione per l'home office Slim Up formata dall'apposito piano scrittoio con schienale in essenza, cassettini effetto pelle con maniglie in cuoio, elementi pensili a giorno con griglie in metallo e basi contenitive sospese con pratica apertura a ribalta.

CONTENITORI SOSPESI PER HOME OFFICE

I capienti contenitori del programma Slim Up possono essere usati per rendere più comodo lo smart working e tenere tutto a portata di mano. L'anta con apertura a ribalta, tramite maniglia a gola in metallo brown, permette di rimanere seduti mentre si accede al vano. Se preferisci, però, sono disponibili anche le ante a battente e i cestoni sospesi.

LIBRERIA CON PIANO SCRITTOIO IN NICCHIA

A volte lo spazio per una postazione home office in casa pare poco. Con il programma Slim Up sfrutti ogni centimetro, anche in altezza. Nell'immagine, i cassetti, che fungono da ripiano, sono combinati al sistema di schienali attrezzabili sull'intera parete. Sono accompagnati da mensole in metallo, elementi pensili con anta a battente o a giorno con ripiano o con griglia, il tutto a contrasto con i pannelli laccati opaco canapa dello schienale. Impreziosisce lo scrittoio il top in gres Calacatta oro.

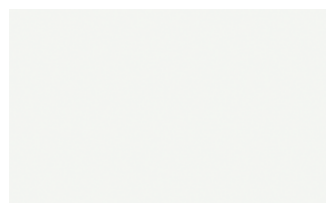

FINITURE

Immagina la tua soluzione home office con Slim Up e verifica subito i materiali e le finiture disponibili per i vari elementi.
