

Letti

Hari

Letto matrimoniale imbottito in tessuto, pelle o ecopelle da personalizzare in un'ampia gamma di finiture, selezionate da Dall'Agnese. L'ampia e morbida testiera può essere protagonista ed enfatizzata come imponente con una base-contenitore oppure resa più slanciata dai piedini.

LETTO MATRIMONIALE IMBOTTITO SFODERABILE

La peculiarità del letto matrimoniale imbottito Hari è la facilità con la quale può essere interpretato e personalizzato. Puoi scegliere una lavorazione trapuntata per la testiera, dal raffinato gusto sartoriale, e rivestire in svariate finiture di tessuto, pelle ed ecopelle la testiera liscia e il giroletto con box contenitore, oltre a decidere i materiali dei piedini. Ogni letto Dall'Agnese può essere personalizzato anche con la scelta dei contenitori notte. Per esempio, meglio la linearità dei comodini Slim Open o il gusto più strutturato dei comodini Supernova? Qual è la tua scelta?

LETTO CON TESTIERA TRAPUNTATA

La ricerca per il dettaglio di stile e il gusto per le lavorazioni che riprendono il sapore artigianale si manifestano anche nella versione del letto Hari con testiera arricchita da una curata trapuntatura a goccia. Vista la lavorazione, questa variante è disponibile solo in tessuto ed ecopelle per garantirne la sfoderabilità.

FINITURE

Tessuto, pelle o ecopelle? Qual è la tua scelta? Scopri subito le moltissime finiture a tua disposizione per rivestire il letto Hari.
