

Armadi

Geo

Un armadio con anta scorrevole o complanare a tua scelta. Puoi personalizzare anche lo stile, essenziale oppure con inserti orizzontali e verticali a contrasto. La maniglia integrata è un altro elemento da caratterizzare con la finitura preferita.

ANTA LISCIA CLASSICA O MODERNA

L'armadio con anta complanare o scorrevole Geo e due piccole maniglie Dama integrate può diventare classico o moderno a seconda delle finiture e degli inserti inseriti. Ha una attrezzatura interna standard con un ripiano e due tubi appendiabiti, personalizzabile a piacere con tanti accessori.

ANTA LISCIA CON MANIGLIA INTEGRATA

Linee essenziali per l'armadio con anta scorrevole o complanare Geo. Nelle immagini è realizzato in laccato opaco bianco con maniglia integrata. Quest'ultima, per le ante laterali, è il modello Dama in tinta, per quella centrale è il modello Epsilon in metallo brown.

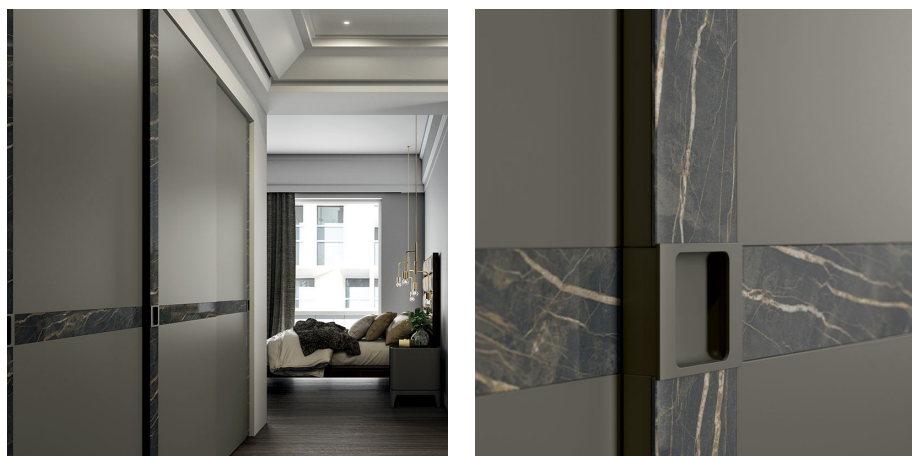

ANTA CON INSERTI ORIZZONTALI

L'anta Geo complanare o scorrevole con inserto definisce un armadio lineare, ma con carattere. Nelle immagini, il pannello orizzontale è in gres Calacatta Oro lucido con maniglia integrata Dama in laccato opaco bianco, come il resto dell'anta.

ANTA CON INSERTI ORIZZONTALI E VERTICALI

L'armadio con anta scorrevole o complanare con inserti a croce Geo è la versione più ricca. Nelle immagini, proponiamo una zona notte dal gusto ricercato e internazionale che combina laccato opaco grigio Aston e gres noir desir.

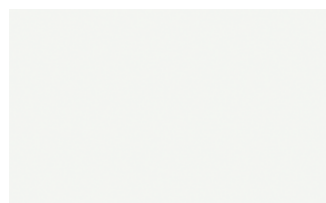

FINITURE

Per il tuo armadio con anta scorrevole o complanare Geo scegli fra essenze legno, laccati opachi, lucidi e speciali.
Per gli inserti anche gres, vetro laccato o specchio.
