

Letti

Bars

La verticalità è il filo conduttore del letto imbottito Bars: dalla testiera decorativa, ampia più del giroletto, agli inserti in legno, frammenti di un moderno capitonné, ai piedini che slanciano il giroletto. Sprigiona un carattere potente che definisce la camera da letto.

LETTO CON TESTIERA CAPITONNÉ

Fra i letti con testiera capitonné, Bars di Dall'Agnese si distingue per la sua rivisitazione della tecnica e per l'uso di inserti verticali in legno che marcano la lavorazione e la rendono contemporanea. È un letto imbottito in tessuto o ecopelle che può essere completato da piedini sia in forma di sottili parallelepipedi in plexiglass trasparente, montati a 45°, sia conici di metallo nero, oppure da un contenitore. Quest'ultima soluzione offre spazio ulteriore per riporre abiti o biancheria. È una tale comodità che viene offerta, come opzione, per quasi tutti i letti Dall'Agnese.

FINITURE

Il letto Bars è la sua moderna testiera, ricca di carattere. Per renderla uno specchio delle tue preferenze, scopri tutte le finiture disponibili in tessuto ed ecopelle.
