

Contenitori notte

# Ronda

Sezione arrotondata e piano ribassato  
per i contenitori notte Ronda.

Basamento con zoccolo in legno o con  
piedini in metallo di due diverse altezze.

Top ribassato da impreziosire con un  
piano in essenza o laccato, gres o  
specchio. Squisita eleganza.

## COMODINI, CASSETTIERE E SETTIMANALI CON TOP A VASSOIO

Il top tondo dei comodini, dei comò e dei settimanali Ronda sporge leggermente rispetto al piano così da offrire l'effetto di un vassoio, utile per appoggiare piccoli oggetti e proteggerli da cadute accidentali. Questa sua conformazione facilita l'apertura a presa del cassetto superiore. Gli altri cassetti si aprono con il sistema push-pull.

## BASAMENTO CON ZOCCOLO O PIEDINI

I contenitori notte Ronda poggiano le loro forme arrotondate su uno zoccolo basso in legno che ne prosegue le linee e può essere tinto in tutta la gamma delle essenze e dei laccati Dall'Agnese. Puoi però anche decidere di interrompere l'effetto monolite tondo e slanciare comodini, comò e settimanali su un basamento con piedini in metallo di due diverse altezze.

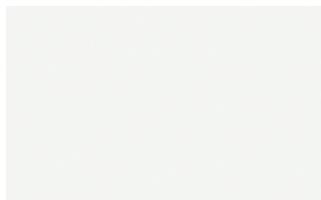

# FINITURE

Come vuoi realizzare i tuoi contenitori Ronda? Verifica subito le finiture disponibili per tutti i componenti e fai le tue scelte.
